From Archbishop José Gómez

We live in a city named after God's holy angels, and the Catholic Church here was established under the name of the archangel who brought glad tidings to Mary, the Mother of Jesus Christ. But I am afraid that our awareness of the angels has diminished. This is one of the losses that occurs from living in a secular society, where we are overwhelmed with a totally material understanding of reality. We forget that there is more to this world than what we can see or grasp with our senses, or measure with our sciences.

As Catholics, we believe there is a world that goes unseen — a world of the Spirit that moves beneath the news and events and appearances of everyday life. Creation includes “things visible and invisible,” as we say in our confession of faith. Though we cannot see it, God is speaking and acting; angels assist us, and saints can hear our prayers and intercede for us. One of my prayers during this jubilee year of the founding of Mission San Gabriel Arcángel is that we will grow in our awareness of the great gift that we have in our angels.

The beautiful truth revealed by Jesus is that each of us has a holy guardian angel, which we remember in our liturgy on Oct. 2. Our angels are given to us — a beautiful sign of God's love and care — to walk with us and protect us on the journey of our life. From the moment we are born until we draw our last breath, we are constantly in the company of our angels and under their watchful care. God gives us our angel to help us get to heaven. The words that God spoke to Moses, he speaks to us: “See, I am sending an angel before you, to guard you on the way and bring you to the place I have prepared.” ***Please visit our Parish website to continue reading this reflection.***

Del Arzobispo José Gómez

Vivimos en una ciudad que lleva el nombre de los santos ángeles de Dios y la Iglesia Católica de este lugar fue establecida con el nombre del arcángel que le trajo maravillosas noticias a María, la Madre de Jesucristo. Pero me temo que nuestra conciencia de los ángeles ha disminuido. Ésta es una de las pérdidas que se producen al vivir en una sociedad secular, en la que estamos abrumados por una comprensión totalmente material de la realidad. Nos olvidamos de que existen más realidades en este mundo de las que nosotros podemos ver o captar con nuestros sentidos, o medir con nuestras ciencias.

Como católicos, nosotros creemos que hay un mundo que no se ve, un mundo del Espíritu que se mueve fuera de las noticias, de los acontecimientos y de las apariencias de la vida cotidiana. La creación incluye “lo visible y lo invisible”, como decimos en nuestra confesión de fe. Aunque no podamos verlo, Dios habla y actúa; los ángeles nos ayudan y los santos pueden escuchar nuestras oraciones e interceder por nosotros. Una de mis peticiones durante este año jubilar de la fundación de la Misión San Gabriel Arcángel es que crezcamos en nuestra conciencia del gran don que tenemos en nuestros ángeles. La hermosa verdad revelada por Jesús es que cada uno de nosotros tiene un santo ángel de la guarda, a quien recordamos en nuestra liturgia el día 2 de octubre. Nuestros ángeles nos son dados —son una hermosa señal del amor y del cuidado de Dios— para que caminen con nosotros y nos protejan durante el trayecto de nuestra vida. ***Por favor visite nuestro sitio web para leer el resto de esta reflexión.***

School Student Non-Discrimination Policy

2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs. This Catholic Elementary School publishes the above policy in the staff and parent/student handbooks, public relations/recruitment brochures and in other publications such as the parish bulletin and school newspaper. The school also publishes applicable grievance procedures in the staff and parent/student handbooks.

All Soul's Votive Candle Program

Our Parish will have a Votive Candle program in preparation for our All Soul's liturgy (November 2). The candle set includes five candles for one name. Along with this, each candle will:

- be lit up once a week during November.
- have their name included in our Litany of Saints that will be sung during our All Souls Liturgy.

There is a \$30 donation for this program. When making your donation, choose which Mass time you'd like to add your loved one to. The deadline to register is Sunday, October 24. Please note that this program is separate from our monthly candle petition and Mass intentions, which both are still active for November.
